Strong refit, engineering and project management experience
Low crew turnover rates
Claim free insurance history
Itinerary planning
Crew management and team building
Excellent leader ship, etiquette and communication skills
Can do attitude
Excellent navigation skills
Good grasp of accounting and IT

EMPLOYEMENT HISTORY

July 2006 Present	M/Y Sunliner X - 120 feet – 209 tons Commercial charter and private usage Captain/Manager I have rebuilt the charter reputation on Sunliner X from being nonexistent to being a very successful well known high turn around charter vessel placed with a variety of charter brokers. I have successfully seen through to completion extensive refits on the vessel on both exterior and interior. This included main engines, generators, stabilizers, bow thruster, structural refits and three special periodical surveys under the ABS class. During my 17 years on board I have developed a stable and close working relationship with the owner ensuring I fully deliver their expectations.
February 2020	M/Y Avant Garde II, CRN 43 m, 139.76ft Releif captain for sea trial
March 2006 July 2006	M/Y Melody Nelson – 92 feet – Mangusta 92 Commercial charter Captain
March 2005 December 2005	M/Y SKS – 82 feet – Leopard 27 Commercial charter and private usage Captain I captained this open yacht through a highly successful Mediterranean charter season and then was in charge of the preparation for SKS sale. and subsequently organized its delivery to Montréal.
