Good morning Benoit and Vyara,

I trust all is well. I finally received more written feedback from my client as you will see from the below; clearly a very positive experience and Benoit I'm very grateful to you and the crew.

"To start with the last... It was simply amazing!

The family can't stop talking about it, we're still thinking and talking about it every single day.

It was the most beautiful vacation experience that we ever shared with each other and the fact that I could "give" them that, still fills me with a lot of gratitude and pride.

Our whole experience was just so special. The crew, the service, the places we visit, the dinner moments we shared, it was all equally beautiful.

A very special memory for all of us, so thank you for helping me putting all of that together.

Looking forward to hearing from you both,

Many thanks,
Frances
