

Dear Benoit,

Regarding the M charter, they had such a fabulous time with you and your crew on SUNLINER X, so we would like to create for them a special keepsake book to commemorate their time onboard.

The book would include photos of the boat, descriptions of the ports they visited, and profiles on your crew.

Would you kindly send me the following:

- List of ports that they visited
- A group photo of you and your crew
- Confirm this crew list is correct:
 - Chef – Alexandre Roussell
 - First Officer – Yann Baptistal
 - Chief Stewardess – Mihaela Marinova
 - Stewardess - Marion Torregrossa
 - Deckhand - Thibaut Fricout

I really appreciate your time with this, and again, many thanks to you and your crew for taking such good care of these clients.

My very best,
Pila
