To Whom It May Concern,

Benoit Tétaud is employed as Captain on board SUNLINER X for over ten years. SUNLINER X is a 36m commercial yacht, operating under Madeira flag and for charter within the CSO Yachts charter fleet since 2009.

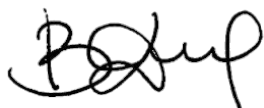

Benoit impressed us with his dynamic, positive and "can do" attitude and no problem was insurmountable. He is a very hard working, hands on Captain, with excellent contacts and rapports with the ports, shipyards, agents and suppliers. He is also very much a people's person, who readily wins the respect and appreciation of his owner, clients and crew alike.

He is reliable and trustworthy, always demonstrating exemplary professional integrity and loyalty. Other qualities which we appreciate in Benoit are his ability to think on his feet, get things done quickly and effectively and his self sufficiency, rarely asking for assistance unless absolutely necessary.

I would have no hesitation in recommending Benoit, as he is one of the best captains I have ever worked with.

I wish him well in his future endeavours.

Do not hesitate to contact me should you require more information.
