"the best four top ever"

We have travelled the world together for 30 years. This week has surpassed all our prior experiences and all our expectations! We had the best time ever. Andie has had some health issues, made it through, and this trip has been her dream. We will never forget our St Tropez dance party, or the ~~AA~~ service from the crew. Benoit is our Captain and our Hero!

When are we coming back?

Captain Benoit, baby Captain,

Jibonet, Michaela, Sophy & Alex

We can't thank you enough for all the care & attention you have shown us this week. Among the extraordinary high lights were the caves in Corsica, the turquoise waters in Sardinia, night jet skiing & tubing, watching the moon rising & the delicious dishes that Alex created each day!

Of the many boat trips we have been fortunate to enjoy, never have we had a more accommodating & friendly crew. Thank you for making this an exceptional trip in every way.

Dear Benoit, (from Santa Barbara, CA!)

Merci Beaucoup for another fantastic trip. You and your crew are
truly wonderful, always right there anticipating our every need and
we truly appreciate all the positive attitudes in regard to pleasing
us... such as - Every part we want to do "everything" - wake-runner,
paddleboard, trying the new motorized wake board, stand up paddleboards -
dingy - "go there - then go there - change our minds etc...". You
are so flexible and always have energy to make us happy.
We love the Sunliner X & will for sure be back thanks to the
crew.

We Came Back!

Our seven days on the Sunliner X were so great we decided to come for 10 days this year. Thanks so much for the most beautiful days - so perfectly relaxing with the best service ever! From the lobster salad to the cookies, Chef Nicholas fed us so well. Mika and Tillie spoiled us with their sweet and constant attention. And Mika, the table settings were beautiful! Captain Benoit, along with Yan and Tebaret, made our sailing, jet-ski and swimming days just perfect. We look forward to planning to see you again next summer!

Dear Sunliner X team,

Thank you for making my dream come true.
My wish was to take my parents and the family
for a very special vacation to celebrate their 40th
wedding anniversary.

And everything was beyond my and our expectations.
From the very first start to the end with me
writing this note in the beautiful port of St. Tropez
was simply amazing.

The vibe and approach from the crew was exactly
how we wanted it; relaxed, friendly, customer
oriented.

This all was great, it made our vacation memorable.
It has been an amazing trip and it will be
a family memory forever.

We had the most amazing time, it truly was
a family vacation of our dreams.

We thank the whole crew for taking care of
everything, you guys gave the whole family
the best vacation experience ever, not ~~forgetting~~ thinking
on anything, just relaxing, enjoying.

The food, the cocktails, the water toys, the service,
the child friendly approach, --- I probably ~~forgot~~ forget
~~to~~ to mention a lot, but everything was amazing.

Thanks for all, we would love to see you all
again soon. Greetings Geoffrey & the rest of
the family

A yacht is not a yacht without the most amazing crew - the cuisine was the best we have ever had in most restaurants. Our ladies in waiting made us feel like royalty. Thank you Captain Bevis for our safe journey - Thank you Mary & David for your hospitality.

Words fail me to describe how much I enjoyed my trip.

From Captain Benoit to Nicholas (5 Michelin star chef!!!) to the two great boys who worked so hard & who were so pleasant.

As for Lilly & Micka you couldn't ask for two nicer girls who spoiled me rotten.

The best holiday since
Mary Daly (Ireland).

I'd like to echo Mary's comments
Thank you all for a terrific
7 days. would love to do
it again

The perfect "four top" meets the perfect yacht crew! We are 4 and they are 6 and we reunited for our third year. Reunited - and it feels so good! The Sunliner X never disappoints, and we're already planning for next year.

All our thanks to Captain Benoit and his team for taking care of Jack's leg and scooter. Mika, Tillie, Yan, Tibo and Nicholas are the best!

Dear Benoit and

Nicholas, Libby, Yan, Mike and Lilly (sorry about the misspelling)

You show wonderful teamwork and are a first class crew. Much appreciated for paying attention to the details about our likes and dislikes - this year it was shade - our skin is getting more sensitive! Sad but true. Well the "proof is in the pudding" - we came back yet again!! Maybe our 4/5th time? I'm losing track!! Our friends joined us and truly enjoyed ourselves. Thank you - merci Beaucoup for making our stay so enjoyable! What a treat to have stabilizers and clean and quiet engines - a truly luxurious week for our friends and us!! Thank you boys for your hard physical work and patience taking the toys up and down all day. You are always ready to please. Thank you ladies for cleaning and serving so we didn't have to "lift a finger" - you two were perfect and appropriate at all times!! Last but not least - Benoit was all business making sure of our safety ^{comes first} at all times!! and is very much a pleaser and considerant host. We look forward to more trips in the future and good luck in everyone's next adventure..

A bientot! Merci Beaucoup!!
